

I AM FUNDRAISING FOR RSPCA'S RESCUE RUN. WILL YOU MATCH ME DOLLAR FOR DOLLAR?

Dear

I am writing to let you know that I am running to the rescue of animals in need this October for RSPCA's Rescue Run, 18 - 31 October. I am hoping to raise funds for RSPCA and help end animal cruelty.

Every year, the RSPCA receives more than 56,000 reports of animal cruelty. RSPCA's 126 Inspectors across the country each travel over 4,364km monthly to run to respond to these reports and rescue animals that need our help. As a not-for-profit charity, RSPCA relies on the generosity and support of the community to give these animals a second chance at life.

That is why I have chosen to join RSPCA's Rescue Run and raise much-needed funds!

I would like to ask for support from you in the form of dollar-for-dollar matching of the funds I raise. Together, we can double my fundraising efforts and that means double the impact!

This would be a tax-deductible donation made at the completion of my fundraising that would be a great way to show that this is a community-minded organisation.

Thank you for your consideration and I look forward to hearing from you.

Kind regards,

THANK YOU!
